TUBE TENSION FABRIC WALL

Our tube tension fabric systems are a great alternative to standard backwall displays. Quickly assembled in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric beautifully displaying your image. Disassembled, this lightweight frame and graphic fits inside its included bag.
